RK Foundation: Building Our Community

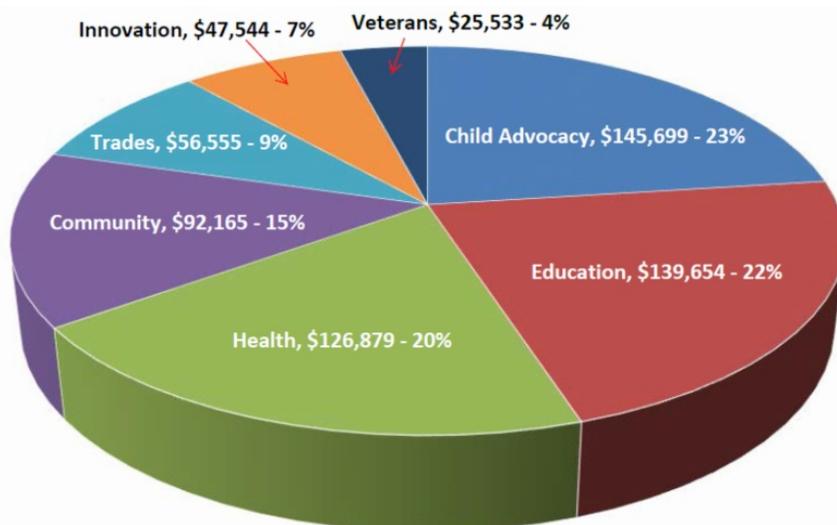

SUMMER REVIEW 2016

RK puts its scrap metal to good use! The [RK Foundation](#) (RKF) is funded by the money RK earns from recycling scrap. To-date, the RK Foundation has granted \$634,000 to local nonprofits and public causes. Thanks to all employees who help us recycle scrap our shops and job sites. You are not only helping the environment, but are also helping RK give back to our community!

RK Foundation mission: The RK Foundation is committed to building better lives by strengthening communities and providing opportunities for those most in need.

FUNDING AS OF AUGUST 31, 2016

- \$634,000 - Total Funding Since Foundation Started 2011
- \$168,300 - 2016 Funding To-Date

Each quarter, the [RK Foundation Board](#) reviews grant applications and determines which grants are funded or kept for review during the next quarter after receiving additional information. Beneficiaries include nonprofits, educational and public organizations that support these advocacy areas: health, community support, education, innovation, skilled trades and veterans. Here's a list of organizations that received grants from the RK Foundation this quarter:

HIGHLIGHTS

[Denver Public Schools Foundation's Career and Technical Education \(CTE\) Pathways](#) :2016 is the final year of RKF's three-year financial commitment to support the new CTE Pathways program in local high schools. This summer, RK hosted interns from this program and they learned a lot!

[American Heart Association](#) Heart Walk 2016: RKF matched funds donated by RK employees, friends and family. Many RK employees participated in the Heart Walk had had a great time.

[Food for Thought](#): This is the third year RKF has provided financial support. Many RK employees have also volunteered to pack PowerSacks to support the organization's mission to deliver nutritious food to Denver students that experience weekend hunger.
